## Life Needs Agility, Balance, Strength, Confidence, - Life Needs Movement

**Welcome Back – In 2020 one of our continuing goals is to make Fitness Fun. By making it FUN, kids will want to participate, enjoy it, and continue to like it throughout their lives. Starting children when they're young with fun and fitness is very important. At Mercury, we offer gymnastic classes beginning at 15 months! They learn how to jump, hang on bars, roll and socialize with kids their size and age. In 2020, encourage your child to be active and as a parent, get active with them, choose to eat healthy and have fun!**

## Weather ALERT

We are now under the control of Mother Nature. Mercury's weather policy follows Park Hill. If the **Park Hill School District cancels classes or after school activities, Mercury Gymnastics will also be closed**, this includes Preschool, School Age, Pre-Competitive Team, and Friday Power hours. We post our closing on FOX 4, our website, Facebook page and we also **put our closings on our answering machine**. Competitive Team, your coach will call you about your practice schedule. **Parents, when the weather is icy, make sure you watch your gymnasts in the parking lot and on the sidewalks. We try to have our lot cleared and safe, but there are always those hidden icy spots. With this bitterly cold weather, encourage your gymnasts to wear leggings and sweat pants with their outfits until they are warmed up downstairs.**

## Drop Notice for Gymnastic Classes

- If you wish to drop your child from class use the following steps:
  - 1) Go to our website
  - 2) Login to the Mercury Gymnastics Parent Portal.
  - 3) Go to "Enrollments" and "View Enrollment" for the student you wish to drop from class, click the "Drop" button.
  - 4) Choose the "Requested Last Day of Enrollment". Click on "Request Drop". Your "Requested Last Day of Enrollment" must be at least 2 weeks from the date the drop request is submitted.
- PLEASE NOTE: YOU will continue to be responsible for tuition for your student's classes WHETHER OR NOT YOUR STUDENT ATTENDS CLASS and until your requested drop date is submitted. A minimum of 2 weeks' notice is required to drop a class. Please do not rely on your student to verbally let us know that he/she will no longer be attending classes.

**Park Hill Clothing Center** ~ In the month of January let's help keep Park Hill students stay warm all winter long. Look for our donation box in the gym and donate gently used or new - hats, gloves, mitten or coats. All donations will go to the Park Hill Clothing Center. The drive will run from January 6<sup>th</sup> – 31<sup>st</sup>.

## Gymnast of the Month - January

Congratulations to our gymnast of the month ~ **Adeline Williams Level 3**  
Keep up the dedication and hard work!

**In January, our Mercury Competitive boys' and girls' teams and Empower Elite Cheer Squads will be in full competition mode. Look for their successes on our Facebook page, website and around the gym as we wish them Good Luck in the New Year!**

## Shining Stars Academic Preschool – Are you looking for a great Preschool for next fall?

Mercury Gymnastics has a wonderful Academic Preschool Program called Shining Stars Preschool. The Shining Stars Preschool practices a hands-on investigative learning process, where children explore academics through various themes and projects. The program consists of story time, academic centers and gross motor. Your child will have the opportunity to stretch their legs in our 25,000 sq. ft. facility where the weather is always great to play. A child must be between 3 – 5 years of age and potty trained to attend.

**Two day Program (Ages 3 & 4) – Tuesday and Thursday AM (9:00-12:00)**

**Three day Program (Ages 4 & 5) – Monday, Wednesday, Friday AM (9:00-12:00PM)**

**If you are interested in attending fall 2020, information will be out soon on Shining Stars February Open House.**

*Shining Stars Philosophy: when children can recognize for themselves when and how to apply numerous skills – it fosters independence, builds confidence, allows them the ability to make decisions and problem solve.*

## Personal Post from Lauren
